PRODUCT DESCRIPTION

Montgomery's Cheddar is one of just three traditional English cloth-bound cheddars recognized as 'artisan Somerset cheddar' by Slow Food.

Made on Manor Farm, Cadbury, for over 3 generations. Cheeses are made with milk sourced from the farm's Friesian-Holstein cows every day to ensure freshness.

Drier than most traditional cheddars, flavours are meaty and rich, with savoury/sweet notes. Reminiscent of a traditional British Sunday roast.
