MON PERE

Brie 3kg

Origin: Grand Est, France
Classification: Artisan
Milk: Cow's Milk
Type: White Mould
Form: 3kg wheel
Item Code: 701723

Made from cream enriched milk, Mon Pere Brie has a soft creamy texture and mild rich flavour with a hint of mushroom.

Its velvety white mould rind hides a surprisingly light unctuous pate. Mon Pere (meaning my father in French) comes from a part of France that is renowned for the exceptional quality of its milk, the Vosges Mountains.

This cheese was created in memory of Monsieur Roger, a well known cheese trader and personality based in the Rungis market in Paris in the 1970's.
