### Snow White Goat Cheddar 17kg

Origin: Wisconsin, USA  
Classification: Artisan  
Milk: Goat's Milk  
Type: Cheddar  
Form: 17kg wheel  
Item Code: 700489

This hard goat's milk cheese was specially selected for Calendar Cheese by master cheese maker Sid Cook who has made a name for himself as one of Wisconsin's most original artisan cheese makers.

Made to a traditional cheddar recipe using goats milk and matured under a cloth bound rind for 15 months its moist crumbly snow-white texture has a and lingering hint of sweet fresh goats' milk.
