CROPWELL BISHOP

Stilton PDO 8kg

Origin: Nottinghamshire, England
Classification: Artisan
Milk: Cow's Milk
Type: Blue
Form: 8kg wheel
Item Code: 700573

This cheese is soft, sweet and savoury with a mild blue mould finish that has notes of honey, leather, tobacco and molasses.

Stilton is one of Britain's best-known PDO cheeses made in the counties of Nottingham, Derby & Leicester using local, full cream pasteurised milk. Cropwell Bishop Dairy is one of the smallest producers - a family owned business operating for 3 generations.

Curds are hand ladle into cylindrical moulds; a time-consuming and painstaking process, but one that helps to preserve the structure of the curd and deliver a smooth rich textured cheese. During maturation, the crusty rind forms naturally, encouraged by rubbing and brushing, and after spiking, blueing radiates from the centre.
