IL FORTETO

Cacio di Bosco al Tartufo 2kg

Origin:	Toscana, Italy
Classification:	Artisan
Milk:	Sheep's Milk
Type:	Hard
Form:	2kg wheel
Item Code:	701043

The freshness of the truffle flavour contradicts the age of this cheese from Il Forteto, (the fort) – an agricultural commune tucked away in the Mugelano valley, 30 kilometers from Florence.

Flecks of local black truffle permeate through the cheese, balancing the lactic ewe's milk flavour with fresh earthy characteristics. During maturation, the rind develops a deep golden colour whilst the nutty texture gradually becomes dense and flaky with a slightly sweet finish.
