## L'Artisan Cheese - Organic Mountain Man 500g

Origin: Victoria  
Classification: Artisan  
Milk: Cow's Milk  
Type: Washed rind  
Form: 500g wheel  
Item Code: 701375

Replicating the classic Reblochon de Savoie, Mountain Man is ideal for the classic French potato-based dish 'Tartiflette'. Matthieu Megard is a 3rd generation French cheesemaker who selects the finest organic milk from family owned dairies to make a selection of french inspired cheeses.

The small rounds are regularly washed in brine and after four weeks maturation, they develop a light orange rind with smooth paste and a mild, creamy flavour.
