La Peral Blue 2kg

Origin: Asturias, Spain
Classification: Artisan
Milk: Cow's Milk
Type: Blue
Form: 2kg wheel
Item Code: 703731

La Peral is named after a small local village in the region of Illas, in Asturias, nestled in a natural environment of green pastures, on the slope of Mount "La Garita" overlooking the Cantabrian Sea.

Esther Alvarez and her husband Jose Luis Lopez make La Peral at their family dairy in the region known for its lush pastures as Green Spain and inspired by the deep blue colours of the ocean

Naturally rinded, this pasteurized cow's milk blue cheese has a dense interior that gives way to a soft moist texture with a caramel sweet flavour and savoury finish, as it ages.
