MILK SOURCE	Goat & Ewe
FAT CONTENT	50%
TYPE	Semi hard
FORM	3.5kg
APPROXIMATE AGE	2-4 months

CHARACTERISTICS

Produced in the picturesque Basque region of Southern France, Chebris is a naturally-rinded pressed cheese, made to a traditional recipe.

The combination of ewe's and goat's milk gives this cheese a sweet and creamy flavour with a slightly oily texture. Savoury hints of hazelnut complete the Chebris, as a consistent and interesting table cheese.

Onetik is a unique co-operative, emphasising quality over quantity and preserving tradition.
