LATTERIA PERENZIN

Millefoglie Al Marzemino 6.8kg

Origin: Veneto, Italy
Classification: Artisan
Milk: Cow's milk
Type: Hard
Form: 6.8kg wheel
Item Code: 701718

A modern interpretation of an ubrianco or drunken cheese.

Made in the alpine foothills of northern Italy by Perenzin Latteria, the name of this cheese translates to 'thousands of layers of Marzemino' reflecting the visible wine marbling through the cheese.

This semi hard cheese is pierced and steeped in Marzemino di Refrontolo Passito wine - a sweet and fruity red wine - which permeates through the cracks, creating a red marbling effect. Based on a Montasio style, this hard nutty cheese takes on a sweet finish.
