ALAIN MILLIAT, FRENCH EXQUISITE FRUIT JUICES SINCE 1997

Through uncompromising selection of raw ingredients, sourced as much as possible from groups of producers that practice sustainable, organic or zero-waste agriculture; Alain Milliat's sensitive palate enables him to pick out an orchard, its exposure, a colour or variety, and above all the optimum maturity that enables the juice to really express every nuance of the fruit.

NEW 706762 Mango Nectar 330ml

6 PER/CTN

3556000330120

Discover this bright coloured nectar, with its freshness, strength, and beautiful length of aromas. Perfect in cocktails, used in sweet sauces or paired with fresh prawns.

700046 Vineyard Peach Nectar 1L

6 PER/CTN

3556001010113

This fresh wine-coloured nectar, has strength of flavour with almond notes and a delicate bitterness. Perfect when paired with toasted almonds.

705262 White Peach Nectar 1L

6 PER/CTN

3556001010274

Discover this pale coloured nectar, with its pulpy texture, fresh strength, and fruit flesh aromas. Great in fresh juices and cocktails, pairs beautifully with pistachio in dessert preparations.
