### The Fine Cheese Co. All-Butter Crackers

Three muted, almost neutral-flavored crackers, to amplify the taste of any cheeses they carry.

The art of cheese-making involves taking simple ingredients, from natural sources, and transforming them into something better. The Fine Cheese Company take the same approach with their crackers. Moreish, butter-rich and natural partners for cheese.

**706709 All-Butter Wholemeal Crackers 125g** 6 PER/CTN 5060162827148
