PONS

A Spanish family legacy passed down through generations since the 1930's, using ecological and sustainable methods in their farming and production that show respect to the land, the product and the people. Distributing premium oils and vinegars, preserved fruits, and spices to 5 continents creating a global presence among the luxury market.

Pons Guindillas (Chilli Peppers) 1570g

Guindillas chilli peppers are pickled in a white wine brine, in this signature Spanish ingredient heat from the chilli is contrasted by the salty tang of the brine.

Classic pairings are fish, meat, and rich sauces.
